In the event the recipient expends \$750,000 or more in Federal awards during its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR 200.500 - 200.521. Effective October 1, 2024, the threshold for a single or program specific audit will increase to \$1,000,000. The recipient agrees to provide a copy of the single audit to the Managing Entity and the Auditor General. In the event the recipient expends less than \$750,000 in Federal awards during its fiscal year, the recipient agrees to provide certification to the Managing Entity that a single audit was not required. Effective October 1, 2024, certification for less than \$1,000,000 will be required. In determining the Federal awards expended during its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from the Department of Children and Families, Federal government (direct), other state agencies, and other non-state entities. The determination of amounts of Federal awards expended should be in accordance with guidelines established by 2 CFR 200.500 - 200.521. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR 200.500-200.521, will meet the requirements of this part. In connection with the above audit requirements, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in CFR 200.508

In the event the recipient expends less than \$750,000 in State financial assistance during its fiscal year, the recipient agrees to provide certification to the Managing Entity that a single audit was not required. In determining the state financial assistance expended during its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Children and Families, other state agencies, and other non-state entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a non-state entity for Federal program matching requirements.

In connection with the audit requirements addressed in the preceding paragraph, the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes.
