Subcontract Implementation

NSPs who are chosen to deploy during specific disasters will be contacted directly and must follow the deadlines for applications set forth by SAMHSA/FEMA, as communicated by the Florida Department of Children and Families (DCF) and the Managing Entity (ME) - LSF Health Systems. Once the applications are approved and the NSP is informed of the approved budget amount, scope, and effective dates by DCF/ME, the NSP must follow the program implementation as set forth by DCF through formal documents issuance, such as the Crisis Counseling Program Reporting Guidance. The formal documents will outline the service period, timetables, due dates, and details of the following:

- a. Method of Payment: In the event the formal documents do not specify the method of payment, the following shall apply, unless LSF Health Systems documents otherwise:
 - i. Immediate Services Program (ISP): Monthly Cost Reimbursement
 - ii. Regular Services Program RSP: Monthly Fixed Rate
- b. Program/Provider Narrative: Quarterly and Final reports which outline program staffing updates, highlights, monitoring, challenges/successes, training, etc.
- c. Financial Reports: Quarterly and Final report which compared true expenses to budgeted expenses, by category
- d. Template 24 – CCP Supplemental Invoice and Expenditure Report:
 - i. Part 1: for Cost Reimbursement
 - ii. Part 2: for Monthly Fixed Rate
- e. Allowable costs
- f. Other requirements required for the specific CCP

The Crisis Counseling Program will be administered according to DCF Guidance 23, which can be found at following link using the applicable fiscal year:
