

Indigent Psychiatric Medication Program known as the Indigent Drug Program (IDP)

Authority: Section 394.676, F.S. and 65E-16, F.A.C.

Frequency: Annual Monitoring

Due Date: N/A

1. Purpose

The purpose of this guidance document is to:

- Establish IDP administration procedures,
- Provide written guidelines to the Managing Entities and IDP Providers, and
- Establish medication order guidelines.

2. Definitions

- **IDP Warehouse:** A warehouse holding a current permit from the Department of Business and Professional Regulations, Florida Drug and Cosmetic Act, Chapter 499 that receives, stores, and ships psychiatric medications for the IDP.
- **Formulary:** A listing of medications available in Cardinal Health's Order Express for pharmacies participating in the Indigent Drug Program, to select the medications to order.
- **Patient Assistance Program (PAP):** Any program offered through private agencies or pharmaceutical manufacturers designed to provide medication at low or no cost to uninsured individuals.
- **Psychiatric or Psychotropic Medication:** Any drug prescribed with the primary intent to stabilize or improve mood, mental status, behavioral symptomatology, or mental illness. The medications include the following major categories:
 - Antipsychotics,
 - Antidepressants,
 - Anxiolytics,
 - Mood stabilizers,
 - Cerebral or psychomotor stimulants, and
 - Other medications commonly used including beta blockers, anticonvulsants, cognition enhancers, and opiate blockers.
- **Side Effect and Adverse Drug Reaction:** Any effect other than the primary intended effect resulting from medication treatment. Side effects may be negative, neutral, or positive for the individual. An adverse drug reaction is an undesired or unexpected side effect, allergy, or toxicity that occurs with the administration of medication. Adverse drug reactions can range from mild side effects to very severe reactions, including death. Onset may be sudden, or it may take days to develop undesired or toxic reactions to medications.

Network Service Provider will:

1. Assess and enroll individuals in the IDP who meet the clinical and financial criteria established in Ch. 394, F.S.
 - To meet the clinical criteria, individuals:
 - Must be a member of at least one of the Department's priority populations, and

- Must not reside in a state mental health treatment facility or an inpatient community unit.
- To meet the financial eligibility criteria, individuals:
 - Must have a net family income that is at or below 150 percent of the Federal Poverty Income Guidelines, as published annually in the Federal Register,
 - Must lack third-party insurance that will pay for prescribed medications, and
 - Must not participate in a program where other funding sources pay for psychotropic medications. If individuals have third party insurance for psychotropic medications but were temporarily denied benefits for these medications, they may receive IDP medications until such time as coverage or eligibility is reestablished.
 - Must be assessed using a sliding scale fee payment if their household income is at or above 150 percent of the Federal Poverty Guideline.
- 2. Provide information to individuals and staff working with IDP individuals regarding adverse effects, side effects, possible allergic reactions, and instructions on what to do in case of an emergency.
- 3. Actively participate in Patient Assistance Programs (PAP) that provide psychiatric medications without cost;
- 4. Ensure that IDP prescriptions meet the following conditions:
 - An appropriate prescription for a 90-day supply may be written with up to 3 refills. One prescription cannot cover more than a 90-day supply,
 - Must be listed on the IDP Formulary,
 - Must be filled at an IDP pharmacy.
- 5. Ensure participating pharmacies have an IDP account with Cardinal Health:
 - Complete a Cardinal Account Spreadsheet including contact information for the provider and participating pharmacies, and
 - Include a copy of the participating pharmacy's license.
- 6. Ensure participating pharmacies order and receive IDP medication using the Cardinal Health account:
 - Select the IDP medication from "on formulary" available in Order Express, and
 - Click on "Mark as Ready" button to finalize the order.
- 7. Review a copy of the invoice sent via email and track IDP balance using the invoices.
- 8. Have participating pharmacies notify Florida State Hospital of discrepancies within 24 hours of receiving the invoice.
- 9. Pay dispensing fees to IDP dispensing pharmacies for individuals who cannot afford to pay the fee.
- 10. Implement medication receiving, storage, and administrative procedures that meet the current State approved prescribing instructions pursuant to s. 465.035, F.S.
- 11. Enter DEMO for each participant in Managing Entity Data System and submit a list of Persons Served to the Network Manager, using the template provided, into LSF Health Systems data

system by the 8th of the month following service delivery. Network Service Providers should submit a service using the IDP OCA (MH076) with the Incidental Expense covered service (28) and the actual dollar amount for the units. When billing for incidental expenses, the Network Service Provider shall follow F.A.C. 65E-14.021(4)(k)4.b.(V).

The Florida State Hospital will:

1. Maintain the IDP Formulary available in Cardinal Health's Order Express.
2. Check available funds and notify the IDP provider of outstanding balances.
3. Review the orders and make changes if necessary.
4. Submit the orders in Cardinal's Order Express and email a copy of the invoices to the IDP Providers by the 5th of each month.
5. Ensure SAMH Regional Offices, SAMH Headquarters, and the Managing Entities receive copies of the monthly invoices/statements by the 5th of each month.

The Indigent Psychiatric Medication Program, known as the Indigent Drug Program (IDP) will be administered according to DCF Guidance 13, which can be found at following link using the applicable fiscal year: <https://www.myflfamilies.com/services/samh/providers/managing-entities>
